

Who We Are

Axis Global Enterprises, Inc., provides superior construction and integrated security technology solutions with the depth and resources of a large company and the attention and responsiveness of a small business enterprise. We are certified as a SBA 8(a), DBE, Service Disabled Veteran Owned Small Business (SDVOSB), positioned to offer comprehensive capabilities to commercial and government clients nationwide. Our team is dedicated to delivering premium solutions—on time and on budget.

CONSTRUCTION AND INTEGRATED SECURITY TECHNOLOGY

DESIGN BUILD / DESIGN BID BULD / GENERAL CONTRACTING

We bring experience and state-of-the-art equipment to every job, guaranteeing your project is professionally managed and constructed on schedule and on budget. Our core services include:

- Pre-Construction
- General Contracting
- Green Building Solutions
- Construction Management

TENANT BUILDOUT / RENOVATION

We specialize in commercial, retail and tenant-finish construction services. Axis works with clients in office, retail, industrial and a variety of other industries to bring new concepts to life. Whether expanding a retail marketplace, remodeling a restaurant, or creating new office space, Axis Global Enterprises guarantees the highest level of diligence and execution to your project. From start to finish, our team of professionals provides quality work while maintaining cost controls and managing scheduling constraints.

ELECTRONIC SECURITY TECHNOLOGY

Our Technology Security division, ASI Security, is a complete network integrations specialist, providing leading security technology through the design, install, service, inspection and monitoring of your systems, including installation of AV and other IT services. Our team is fully trained and certified, and carry all the major equipment brands to meet your needs.

- Access Control
- Security Alarm Systems
- Fire Alarm Systems
- Active Shooter Detection Systems
- Life Safety Solutions
- Security Systems Management
- Security Detection & Deterrence
